

A person is shown from the chest up, lying on their back in a large puddle on a dark asphalt road. Their right arm is extended upwards, and water is splashing around their head and arm. The background shows a road curving into the distance under a grey, overcast sky, with dry grass and hills in the far background. A white rectangular object, possibly a soap bar, is floating in the water near the person's head.

SANBOS. SANBIO.
BE DIFFERENT.

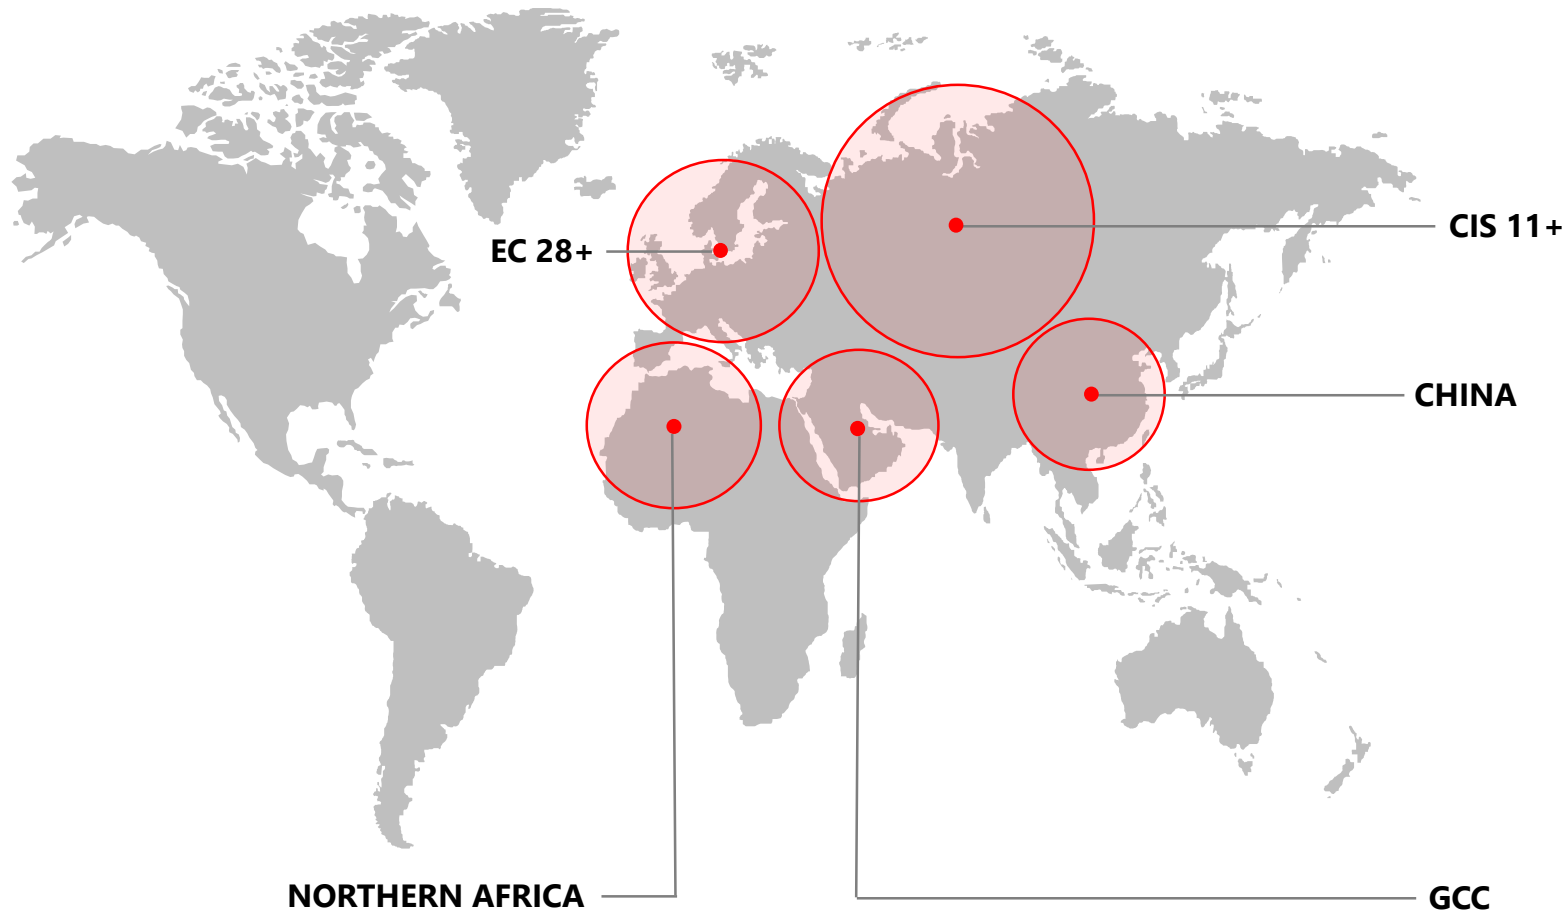

OUR MISSION

“ We help you to make more
profit and safe money. ”

BRANDS

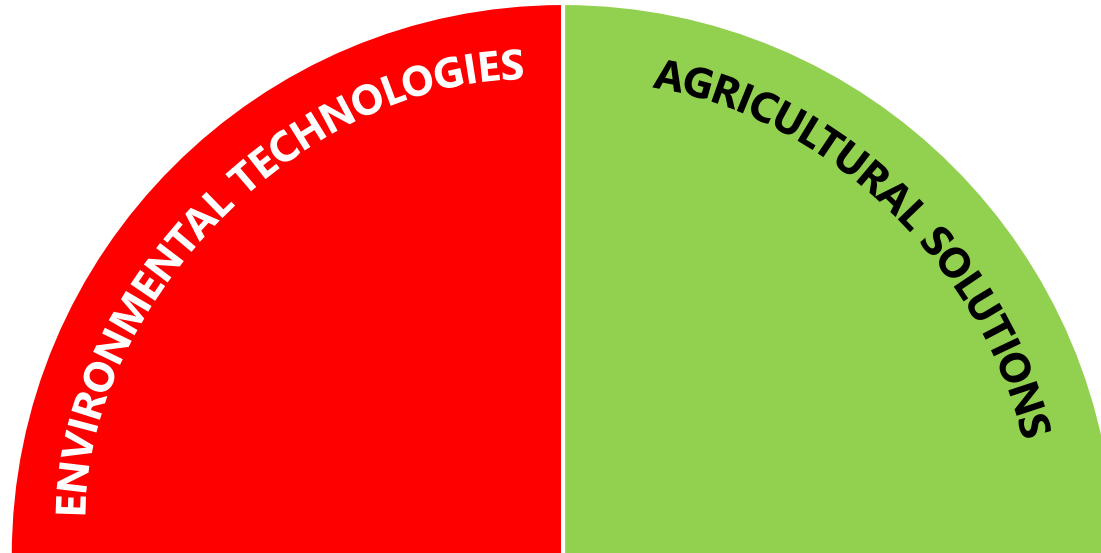

SANBOS

SANBIO

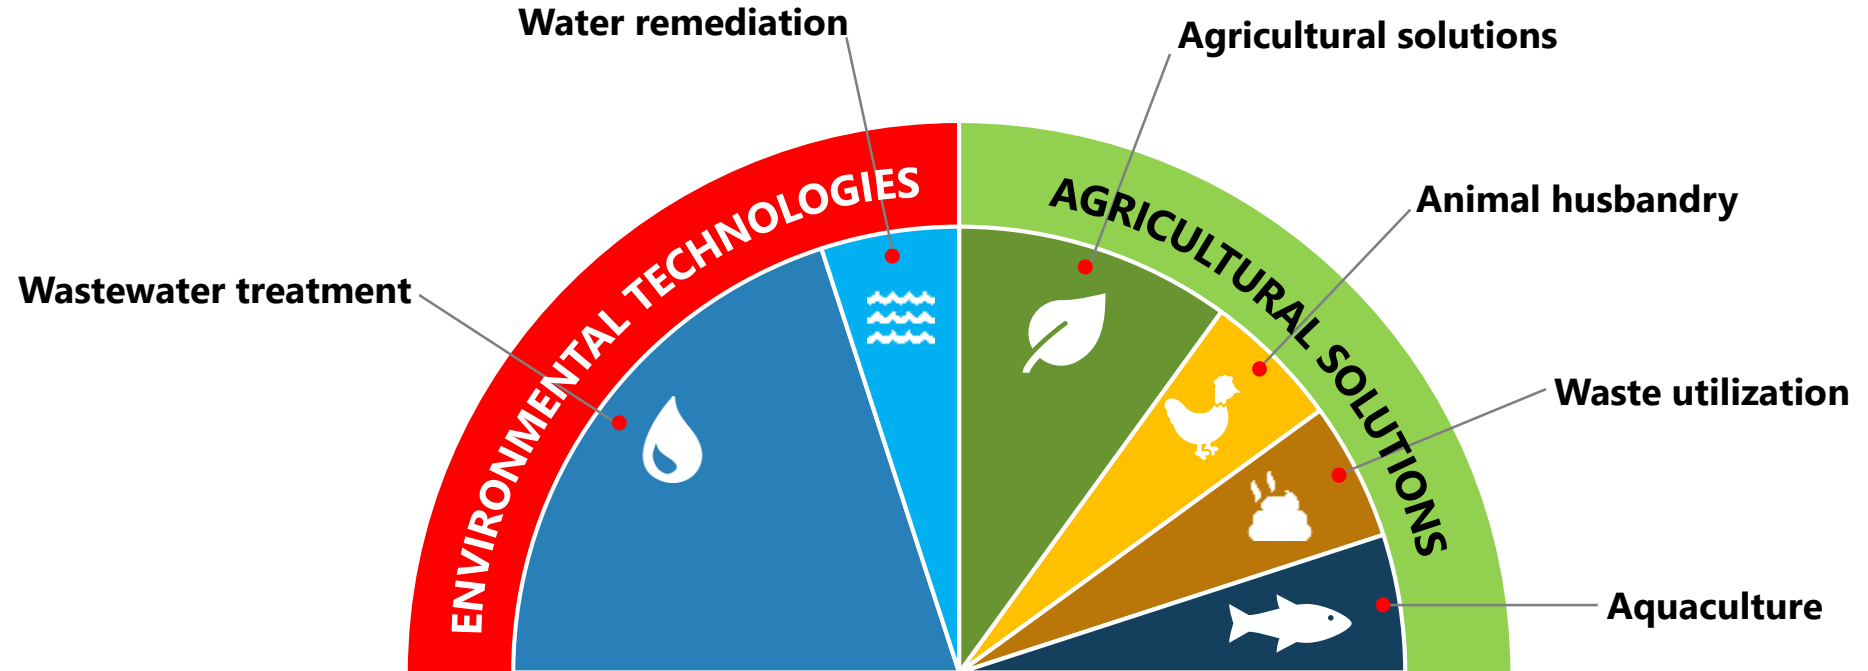

INNOVATION AWARD

BUSINESS UNITS

MARKET SECTORS

Wastewater treatment facilities

Providing blasting solutions and services for treatment of sewage, industrial wastewater and process water.

Full range of technical solutions, machinery and services including design, implementation, start-up, optimization, training, after sales.

Differentiation technology:
integrated plant construction design,
SANBOS® fine-bubble aeration system

Total investment + operating cost reduction approach

MUNICIPAL SEWAGE

INDUSTRIAL WASTEWATER

PROCESS WATER RECYCLING

MACHINERY

Water remediation

Providing eco-friendly solutions and services for restoration of natural water bodies such as ponds, lakes, channels, rivers.

Full range of technical solutions, machinery and services including biochemical conditioning, nutrient management, algae removal, sludge removal, polishing, aeration systems.

Differentiation technology:
Sanbos® WATERCLEAR

State of the art technology

PONDS

LAKES

CHANNELS

RIVERS

Agricultural solutions

Providing a wide range of highly efficient products for crop and animal production.

Development, production and distribution of highly efficient and eco-friendly bio-activators for crop production, animal husbandry, organic waste management, aquaculture.

Differentiation technology:
Biocatalytic stimulation by surface modification
Product series:
Sanbio® brand

Higher profit at lower costs for the producers

CROPS

ANIMALS

ORGANIC WASTE

AQUACULTURE

SOCIAL COMMITMENT

SANBOS is an official sponsor of the cycling team "RSV Team Killerwade" Zeitz City, Germany. The cycling team is successful in both nationally and internationally.
